RE: Andrews for Congress Committee C00243428

Dear Sir or Madam:

This letter is in response to the request for additional information from you dated July 24, 2008.

As to the figures in Column B on Lines 11(a) (iii), 11(c), 11(e) and 16, there was a contribution entered incorrectly on our October 2007 quarterly report. McCarter and English, a partnership, was entered as a PAC. I have made the correction and amended the October 2007, Year End 2007, April 2008 and July 2008 reports.

As to the disbursements to credit card companies, any expenditure in excess of \$200.00 per election cycle is itemized as a memo entry with the supporting documentation such as name of vendor, address, date and purpose. This was done for the credit card statements that appeared on the report in the amounts of \$22,567.74, \$12,302.45 and \$10,000. However, there were several entries that were below \$200.00 from vendors that did not exceed the aggregate of \$200.00 per election cycle. In those cases, the entries were not itemized and will be monitored in the event the next bill shows that the expense does exceed the \$200.00 threshold.

As always, thank you for your help on these compliance matters. Please let me know if you need any additional information.

Very truly yours,

Maureen A. Doherty
